# BENEFITS

When you serve your country, you become a part of something truly important – and you deserve to be rewarded accordingly. Navy Reservists enjoy a comprehensive range of benefits, from state-of-the-art training to extensive educational assistance, VA benefits and more.

Additionally, as an America's Navy Reservist you will continue earning points toward your retirement every time you drill. You can preserve the points you earned while on active duty, and continue taking steps toward military retirement benefits. How many part-time jobs do you know of that offer retirement benefits?

In return for your service and dedication, the Navy Reserve provides you with the benefits to succeed in both your military and civilian lives:

- Paid weekend drill once a month
- Two weeks per year training required (paid travel may be required)
- Educational financial assistance
- Qualify for VA home loans
- Low-cost insurance options, including up to \$400,000 in life insurance
- Military Commissary and Navy Exchange privileges for you and your family
- Retirement benefits
- TRICARE Reserve Select Health and Dental Care Plans

# LIFE IN THE NAVY RESERVE

## EVERY DAY, ALL OVER THE GLOBE.

Sailors are working to protect America's interests. You can do your part and still take care of business at home. As a Navy Reservist you join proud men and women who have dedicated themselves to protecting America, while taking care of their families at home. Sailors in America's Navy Reserve are held to the same high standards as active duty Sailors and they are integral members of the U.S. Navy. The men and women of America's Navy Reserve are dedicated to the mission of national security at home and around the globe.

America's Navy Reserve can completely redefine your expectations – for your career, and your life.

Your service in the Navy Reserve not only benefits the nation, it will help you enhance your civilian opportunities as well. When you drill as a Navy Reservist, you'll learn time-honored leadership skills, as well as professional expertise that will help you advance in your civilian career. You'll earn a competitive salary. A Navy Reserve paycheck can help you take care of your family, or help you save for retirement, college or whatever. Other benefits include worldwide travel, healthcare and the knowledge that you are truly making a difference. The best of all, this is a part-time job where you actually build retirement benefits. Try to find benefits like that somewhere else.
